- All athletes must pay for travel arrangements set up by the Club (bussing to away meets) even if the parents decide to drive to the away meets themselves.
- The above parameters apply to group reservations for away competitions with more than 12 swimmers confirmed.
- For away competitions of groups of 11 swimmers or less, a block of hotel rooms will be **reserved** for the group until a specified date. Families will be responsible for **booking** their own rooms and organizing their own transportation.

## CODE OF CONDUCT

As a member of Côte Saint-Luc Aquatics (CSLA), I am part of a swimming organization that believes teamwork, integrity, respect, and good sportsmanship are more important than winning. By signing this Code of Conduct, I agree to follow the rules for behavior and sportsmanship while I am a member of CSLA. The following behavior guidelines state the principles CSLA expects all members to demonstrate and uphold.

CSLA is fortunate to have experienced, professional coaches working to develop our children into better swimmers, and more importantly, teaching and instilling important life skills. These skills include:

Time-management, self-discipline, and sportsmanship. Your child will reap the benefits of swimming long after his/her participation with CSLA ends.

As parents, it is essential that we give our coaching staff the respect and authority they deserve to run our swim team. Our coaches are hired for that purpose while the Head Coach, and Assistant Head Coach oversees the direction of the staff.

### PART I – PARENTS CODE OF CONDUCT

- Set the right example for our children by always showing respect and common courtesies to the team members, coaches, competitors, officials, parents, ACC employees as well as for all facilities and other property used during practice or competition.
- Respect the integrity of swim officials by assuming decisions are based on honest, objective evaluations of performance. Only coaches may approach meet officials for clarification of rulings.
- Understand that opposing teams, including their swimmers, coaches, and fans, want the same positive experiences for their swimmers as we do. Help CSLA achieve our goals by avoiding criticism either verbally or by gesture. Look for opportunities to build rapport with teams that we compete and work with.
- Demonstrate good sportsmanship during all practices, competitions, and team activities. Promote good sportsmanship by setting an example and by helping others to do likewise. CSLA wins gracefully, loses graciously, and congratulates their opponents either way.
- Be an active participant in many events and other team activities and encourage and support your child by permitting them to be timely on time for practices and competitions.

- Realize that swimmers become easily confused when coached by parents and benefit most from positive reinforcement of the professional coaching staffs' instructions and advice. Your unconditional love and support before and after races will help them best.
- Recognize that CSLA coaches are professionals and allow them to coach your child without interference during workouts and meets, (including not being present on deck during practice or competitions unless you are working at the meet).
- Support your professional coaches as they strive to do what is best for each CSLA swimmer. Our expectations and methods are based on Swimming Canada, the FNQ and other recognized swimming authorities.
- If you have concerns, you must address it with the appropriate coach in private.
- Maintain open and honest communication among all members of the CSLA family. We reach our common goals by working together.
- Insist that your child refrain from using alcohol, tobacco, drugs, other prohibited substances, violence, abusive or foul language, inappropriate sexual conduct, or any other behavior deemed dishonest, discourteous, offensive, or disrespectful of others.

### PART II – PARENTS, BASIC RESPONSIBILITIES

- Practice teamwork with all parents, swimmers, and coaches by supporting the values of Discipline, Loyalty, Commitment, and Hard Work.
- Assist the coaches in conducting effective practices by ensuring swimmers arrive and leave on time and bring the proper equipment.
- Arrive at meets in time for volunteer or swimmer check in, stretching and warm-ups.
- Represent CSLA with excellence, respect, team spirit, good sportsmanship, and politeness
- Always maintain self-control. Refrain from inappropriate behavior that detracts from a positive image of the team or is detrimental to our performance objectives.
- Know your role. Swimmers – Swim / Coaches – Coach / Officials – Officiate / Parents – Parent
- Call or meet with coaches before or after practice/meets to discuss issues.
- Do not coach your child at practice or during meets, that is the coach's job.
- Assist the coaches by not talking with or motioning to swimmers during practices unless clearing it with a coach first.

- Do not interrupt or confront the coaching staff on the pool deck during practice or meets.
- Trust and support your swimmer's and coach's decisions around goal setting, training commitments, swim event entries, and meet schedules. Do not impose your ambitions on your child.
- Any questions about disqualifications, judging, etc. should be directed to your swimmer's coach.
- Get involved ...be an official, help plan a fundraiser, help plan a group social. Find something you enjoy!
- Pay your fees on time (as per the Survival Guide).
- Know and uphold CSLA management, coach directives, and the code of conduct that are designed to maximize the experience for all swimmers and parents.

### **PART III – SWIMMERS CODE OF CONDUCT**

The undersigned athlete participating with/for the Côte Saint-Luc Aquatics Swim Team (CSLA) agrees to abide by the guidelines outlined below in addition to those established by the staff.

- Swim for the fun of it, not just to please your parents or coach.
- Make every team practice, meet participation and activity an opportunity to learn.
- Swimmers are expected to remember that at practice, during swim meets, team activities and in public they are representing CSLA. They should represent CSLA with excellence, respect, team spirit, good sportsmanship, and politeness.
- Swimmers are always expected to follow the directions of any member of the coaching staff, respect any instructions by officials and any person who is a chaperone. Disrespect or failure to obey instructions will not be tolerated from any athlete.
- Swimmers are expected to show respect, common courtesies, and good sportsmanship always to the team members, coaches, competitors, officials, parents and for all facilities and other property used during practices, competitions, and team activities.

- Swimmers must notify the coach in advance if they are planning to leave practice or swim meets early.
- Swimmers are expected to wear CSLA team caps and team t-shirts at all swim meets. This displays team pride and makes it easier to identify swimmers on the blocks and in the water.
- Swimmers should be an active participant in all team practices, competitions, fundraising events, and other team activities.

- Focus on every drill and every set. Be committed to putting forth your best effort every day. An honest effort does not include cutting laps, pulling on lane lines, or missing send offs/sets.
- Disruption of practice by an athlete will be grounds for removal. Continual cheating in a practice will be considered a disruption of practice.
- Swimmers are expected to use appropriate language. Use of profane or abusive language or obscene gestures will not be tolerated.
- Dishonesty, theft, vandalism, Indiscreet or destructive behavior will not be tolerated.
- Every effort should be made to avoid guilt by association with such activities as those listed above.
- There shall be no drinking of alcohol or use of tobacco products, cannabis, illegal drugs or any substances banned by Swim Canada.
- Swimmers are expected to respect each other. Fighting, intentional touching or striking another athlete will subject the swimmer to the most severe discipline.

### **PART IV – VIOLATION OF THE CODE, SWIMMERS**

The coaches have the authority to impose the following penalties for violation of the Côte Saint-Luc Aquatics Swim Team Code of Conduct. The penalties include, but are not limited to, the following:

- The swimmer will be given a verbal warning.
- The swimmer will be pulled out of practice in addition to a verbal warning and the coach will contact the parent.
- The swimmer will need to be accompanied by a parent at practice for four (4) consecutive days.
- If the swimmer continues his/her bad behavior, he/she will be suspended for one (1) week. (There will be NO pro-rating of fees.) If the swimmers disciplinary problem continues, the swimmer and parent will meet with the coach to discuss the problem further.

## PART V – VIOLATION OF THE CODE, PARENTS

The coaches have the authority to impose the following penalties for violation of the Côte Saint-Luc Aquatics Swim Team Code of Conduct. The penalties include, but are not limited to, the following

- The parent will be given a verbal warning.
- Continued disregard for the code will result in a written warning.
- If the parent continues his/her bad behavior after these measures, he/she will be suspended from the team.

I, the undersigned swimmer(s), and parent, agree that if I violate any of these rules, I will be subject to disciplinary action determined by the coaches, which may include expulsion from the team.

By placing your name below, you agree that you have reviewed the Côte Saint-Luc Aquatics Swim Team Survival Guide AND the Code of Conduct with the registered athlete.
